ON ENQUIRY, PLEASE SPECIFY TO THE CATERER THAT THE EVENT IS TAKING PLACE AT THE HELLENIC CENTRE

All drinks, including alcoholic, soft drinks or hot and cold beverages, must be provided by the Hellenic Centre, unless it is for a sit-down dinner or otherwise agreed with the HC. A corkage charge of £2 per person will be charged if drinks (including soft drinks and tea, coffee) are sourced or provided by anyone other than the HC. This charge also applies if one of the above caterers is supplying the drinks / refreshments.

External Caterers:

Clients have the option of using an external caterer of their choice, at an extra charge of £700 + VAT, plus corkage, according to the function and number of guests. The caterer/s must firstly be approved by the Centre. They must provide the Centre with copies of their public liability insurance and HACCP (Hazard Analysis Critical Control Point) policy to show that they comply with all food health and safety requirements set by the EU and Westminster City Council.
